

Town of Huntington HANDICAP ENFORCEMENT PROGRAM (HEP) NEEDS VOLUNTEERS

The Handicap Parking Enforcement Program (HEP) Needs Volunteers. HEP is responsible for enforcing the fire zone and handicap parking codes of the Town of Huntington. The HEP utilizes a core group of volunteers who identify and photograph any car parked in a designated handicap space without a disability permit, or a car parked in a fire zone. When the volunteers turn the photos into the HEP Office, he/she signs an affidavit, and the violator receives a parking ticket in the mail. If you are interested in joining this worthy effort, please contact Marvin Grossman at 351-3232. You will receive an hour-long orientation and be issued a digital camera. You will also receive a \$3.00 stipend per conviction.

Sad to say, people still believe they can park in disability reserved parking without a permit.
